Thanksgiving Weekend TV Movie Special

Molly: An American Girl on the Home Front

Molly's movie airs on Sunday, November 26 at 7:00 p.m. on the Disney Channel. It's about life on the home front during World War II, when war brought changes that affected everyone, even a nine-year-old girl living in Illinois. In spite of all this trouble, Molly and her friends still managed to have fun. Ask for American Girl® books at the Library! A Librarian will be glad to help you find stories about your favorite character.

Accelerated Reading Lists

The Youth Services Department has updated copies of the AR lists for your school. Even though some schools have them on their web sites, parents like to browse the lists when they visit the Library and select books. We hope to have all the current lists, sorted by level, available by Parent/Teacher Conference time.

Pizza Survey—The results are in!

Fifty-eight people filled out the Pizza survey during three weeks in October. Here is the tally.

Best pizza: Pizza Hut
Favorite topping: Cheese
Preferred crust: Thin

Here is more math for you. Pizza Hut was favored by 45%. How many kids like it best? Bring your answer to the Youth Services Desk. Look at the Pizza Pie Charts, too, and see the other responses.
