Newsletter For Kids—About Kids

An Unfortunate After-Hours Event

Friday, October 13

7:00–8:00 p.m.

Ages 10 and up

Register at the Youth Services Desk

Mourn the release of *The End* by Lemony Snicket, the final fateful tale of the Baudelaire orphans. Endure dismal diversions, pitiful pursuits, and contemptible edibles. Books similar to this novel may also be described to aid booklovers in avoiding further wretched reading experiences. Register in person and pick up a permission slip that must be signed by a parent and returned prior to the program.

Monarch and Caudill Award Nominees

Stop by the Youth Services Desk and ask a Librarian for a list of these books. The Librarian will also show you where the books are located.

The Caudill titles are very popular—don't be surprised if you need to reserve a copy of the book you want to read, especially after the Librarians have booktalked these at your school!

Saturday Chess

October 21

1:30–2:30 p.m.

For ages 8 & up

It's not too late to sign up for this popular program. Chess is offered every third Saturday of the month in the Community Room. Drop-in players are also welcome. A basic knowledge of the game is suggested.

To improve your game, look for books about chess in 794.1. Amaze your friends and fellow chess players with your new strategies!

Patch Club

Patch Club continues to feature a new patch each month. In October, members are challenged to read some "Scary Stories" (they don't have to be *really* scary). Look at the end panel display for reading suggestions or ask a Librarian for ideas.

Patch Club is accepting new members. To join or to get more information call 630-653-0755 or visit the Youth Services Desk.

Say Good-bye to Daylight Saving Time!

Remember to turn your clocks back one hour on Saturday night, October 28. Or, you can stay up until 2:00 a.m. when Central Standard Time resumes. This is how to remember which way to set the clock: spring *forward*, fall *back*.

Do you know? Beginning next year, daylight saving time will begin the second Sunday in March and end the second Sunday in November.

Library Trick or Treat

Make the Library one of your stops when you are out trick or treating on October 31. And remember, *be careful!*

A joke a day is as healthy as an apple a day!

• How do you make an apple turnover?

• Push it down the hill.

• Do you know any good jokes to share with *Kids' Korner* readers?
• Bring yours to the Youth Services Desk and they may appear in a future addition. Everyone can use a good laugh!

October is National Pizza Month

Where is your favorite place to order pizza in the Carol Stream area?

What is your favorite pizza topping?

Do you prefer deep dish or thin crust pizza?

Come to the Library and write your answers to these three questions on a pizza ballot. Look for the results in next month's *Kids' Korner*.

Need some books to put you in a pizza mood? Try one of these.

Pizza Counting by Christina Dobson introduces counting and fractions in a delicious way. (E/513.211/DOB)

Did Dinosaurs Eat Pizza? Mysteries Science Hasn't Solved by Lenny Hort sounds like a good one to devour. (E/567.9/HOR)

Pizza and Other Stinky Poems by Harriet Ziefert is a real "treat-za"! (E*/Ziefert, H.)

The Pizza that Time Forgot by William DeAndrea is a saucy mystery. (J/PB/DEA)
