

Dog Socialization

While Service Animals are always welcome in the Library, the Library is not a place for emotional support animals or for socializing your pup. Here is a list of places where this is acceptable, but always call the location first to confirm it's ok:

- **Lowe's** is typically pet friendly, but can vary by location
- **Home Depot** allows furry friends!
- **Ace Hardware**
- **Menards**
- **Petco, Pet Supplies Plus, and PetSmart**- they can come along to pick new toys!
- **Tractor Supply Co.** allows dogs
- **Bass Pro Shops and Dick's Sporting Goods**
- The **Apple Store**
- **Michael's**
- **Armstrong Park** (right next to the Library!)
- Your **Vet** office! Stopping by for a fun visit (instead of just to get scary shots) is a great way to build a good foundation at the vet

www.bringfido.com has lists of dog friendly hotels, restaurants, activities, events, and services! Search within your desired location and a TON of places pop up.

BringFido and **GoDoggo** are also phone apps to help you find your new favorite dog friendly spot!
